

PASSION FRUIT ECOLODGE

An aerial photograph of a tropical beach. A small green boat with a black canopy is beached on the sand. A person is standing in the shallow, clear turquoise water near the boat. Another person is sitting on the sand near the boat. In the foreground, a person is sitting on the sand under the shade of a large, leafy tree. The beach is sandy and has some fallen branches and debris. The water is very clear, showing the sandy bottom and some green seaweed or coral.
